CROSBY HOPS™

From estate-grown hops cultivated and processed on our fifth-generation farm in Oregon's Willamette Valley to hand-selected hops from independent growers around the world, we only offer hops that reflect our uncompromising standards and values.

Our portfolio consists of fresh & whole leaf hops, T-90 pellets, and our innovative CGX™ Cryogenic Lupulin Pellets. Crosby Hops ensures every brewery, regardless of size, gets access to the finest hops on Earth – guaranteed.

Honored to be the SBA 2022 National Exporter of the Year. We are an independent supplier of quality Farm-Direct hops, as well as the exclusive producer of Hopzoil™, the steam-distilled hop oil made solely from fresh hops at harvest, and distilled right on the farm. Our International Shipping Coordinator oversees our dedicated export services. Our goal is to provide personal service to craft brewers, wherever you call home.

HOLLINGBERY & SON, INC. HOPS

Hollingbery & Son, Inc. has sourced hops for over 70 years from our offices in the Yakima Valley—the heart of one of the world’s largest hop-producing regions. The brokerage was established in 1944 by Babe Hollingbery and is now in its fourth generation of family operation. We specialize in providing personalized service to meet the specific hopping needs of brewers, dealers, wholesalers, and retailers. We utilize extensive knowledge of available hop varieties, factors that influence supply, current market trends, and long-standing grower relations to meet the needs of our valued customers. Our warehouses can provide refrigerated storage for fresh and pelletized hops each season, and we ship hops throughout the world.

Mill 95 is an independent, progressive service provider to craft brewers and hop growers. The Mill was inspired by southwest Idaho's vibrant hop cultivation and culture along Idaho's Route 95. Founder Jamie Scott acted from conviction that local capability to evaluate, care for, and process hops would be valued by brewers and growers alike. Mill 95 offers premium hops from Idaho, the Pacific Northwest, and beyond and is supported by expertise, scale and agility directed toward quality, service and community.

Roy Farms has been evolving our farming practices and food safety programs, and embracing innovation for over a century. We provide premium hops, customer service, and Harvest Fresh Pellets® in a sustainable environment. To ensure freshness, our Harvest Fresh Pellets® have always gone straight from vine to the pellet in under 48 hours. This means we provide a premium, safe product—without sacrificing freshness or the environment.

YAKIMA CHIEF HOPS®

As a 100% grower-owned network of family farms, Yakima Chief Hops is proud to be the global hop supplier of choice, focused on sustainably produced, innovative hop products. Our mission is to connect family farms with the world's finest brewers. We are proud to partner with Yakima Chief Ranches, supplying proprietary brands like Citra®, Mosaic®, Simcoe®, Idaho 7®, and more. In addition, we are thrilled to offer advanced hop products such as Cryo Hops® brand pellets and Cryo Pop® Original Blend to maximize aroma impact. We also source and produce a wide variety of organic certified hops from our large network of growers.
