

USA HOP GROWER NUMBER APPLICATION FORM

Thank you for your interest in a USA Hop Grower Number. This is a free service provided to commercial US hop growers (minimum of 0.25 acres in production with commercial intent).

Having a grower number does not require or result in membership to Hop Growers of America. If membership is desired, please visit usahops.org and submit an application.

Please fill out the form in its entirety and email it to growernumber@usahops.org. An incomplete form will not be processed and will not receive a response. All boxes in bold are required.

Successfully completed forms that meet requirements listed below will receive a confirmation email and an assigned grower number.

I attest that I qualify for a USA Hop Grower Number as I have a minimum of 0.25 acres of hops in production which is intended for commercial use.
